KONFLIKT '97[®]

THIS IS NOT WAR THIS IS THE END

Konflikt '47 is the tabletop wargame of heroes, horrors, monsters, and mechs – set in an alternate universe in which WWII never ended, and terrifying new weapons of war are unleashed on the battlefield.

The comprehensive range of boxed sets to help new players means it has never been easier to dive into the world of *Konflikt '47*.

Konflikt '47 Introductory Set

The *Konflikt '47* Introductory Set is your entry point into a dark alternate 1947, where Rift-powered technologies unleash mechs, monsters, and enhanced soldiers onto the battlefield. With detailed miniatures, terrain, a double-sided battle mat, and a clear step-by-step Field Manual, you'll quickly master the game's cinematic warfare.

*US Firefly Platoon
Commander*

*Axis Stahltruppen
Platoon Commander*

Axis Nachtalben

US Linebacker Jump Walker

Konflikt '47 Starter Set

The *Konflikt '47* Starter Set includes rulebook, miniatures, dice, scenery, and more. Elite US Firefly jump infantry, backed by the armored might of a Linebacker walker, descend from the skies into ferocious combat against hulking Axis Stahltruppen heavy infantry and a deadly Vogelspinne light mech. Each side is led by a powerful, unique hero, making this the perfect introduction to the brutal, Rift-charged warfare of *Konflikt '47* — and the foundation for two formidable forces.

There is a full range of Starter Armies for each nation in *Konflikt '47*. These give players a great way to start a new collection, providing a basis for further expansion. Combined with the *Konflikt '47* hardback Rulebook, these are also a great way to start playing.

EPIC BATTLES!

The Epic Battles range of games allows you to refight battles on a huge scale. Each of the campaigns or periods covered below includes fantastic value starter sets as well as a huge range of expansions.

AMERICAN CIVIL WAR

A nation divided. A war ignited. In 1861, the election of Abraham Lincoln shattered the fragile Union as the Southern states seceded, forming the Confederacy and plunging America into civil war. For four brutal years, brother fought brother in a conflict that scorched the land and reshaped history. The Epic Battles system lets you refight these monumental clashes using the acclaimed *Black Powder* rules, adapted for the tactics and turmoil of the era.

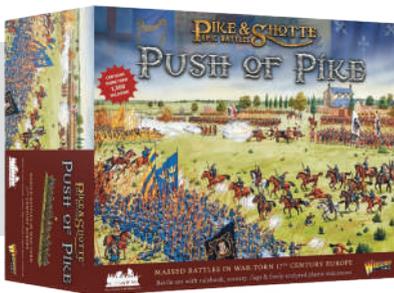

THE PUNIC WARS

Packed with more miniatures than any other boxed set Warlord Games has yet produced, the Hannibal Battle Set is the ultimate way to dive into the Punic Wars with *Hail Caesar Epic Battles*. Command vast Roman legions and mighty Carthaginian war elephants with complete armies, and a full rulebook; this mighty boxed set also includes the Scipio battlegame — the perfect primer for epic ancient warfare.

AMERICAN WAR OF INDEPENDENCE

This Revolution! battle set has everything you need to recreate the American War of Independence on your tabletop. With over 2,000 miniatures, including British, Hessian, Native, and Continental forces, plus cavalry, artillery, famous commanders, flags, guides, a full rulebook, and a detailed MDF watchtower, it's a spectacular gateway to grand, cinematic tabletop warfare.

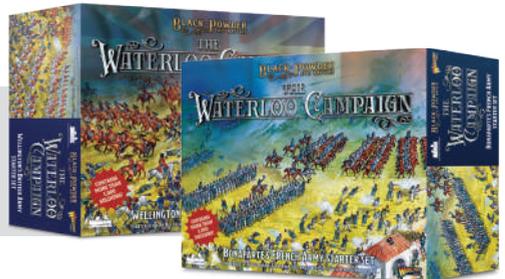

ENGLISH CIVIL WAR AND THIRTY YEARS WAR

The seventeenth century was an age of upheaval, as vast armies clashed to decide temporal and divine authority. From the devastating Thirty Years' War to the bitter English Civil Wars, Europe was torn apart. *Pike & Shotte Epic Battles: Push of Pike* gives you everything to refight these cataclysmic conflicts on an epic scale, complete with period tactics, conditions, and legendary leaders.

THE WATERLOO CAMPAIGN

Sunday, 18 June 1815 — on a rain-soaked Belgian field, two legendary generals met in a battle that ended fifteen years of war and Napoleon's reign. The Battle of Waterloo, one of history's most iconic clashes, comes to life in *Black Powder Epic Battles: The Waterloo Campaign* — the perfect subject for Epic Battles-scale wargaming.

OUR OTHER GAMES...

HAIL CAESAR

Hail Caesar takes you to the battlefields of the ancient world, where empires rose and fell through conquest and courage.

Command legions, phalanxes, chariots, and warbands in sweeping tabletop conflicts spanning from Classical Greece and Republican Rome to mighty empires of the East. With intuitive rules, *Hail Caesar* captures the drama, strategy, and grandeur of ancient warfare. History awaits your command.

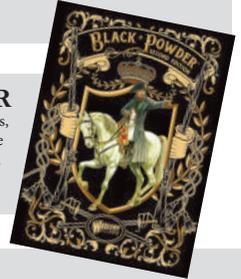

PIKE AND SHOTTE

Pike & Shotte plunges you into the tumultuous 17th century — an age of religious conflict, civil war, and the rise of professional armies. Command vast forces of musketeers, pikemen, and cavalry across the battlefields of the 'Thirty Years' War and the English Civil Wars. With elegant rules that capture the tactics and flavour of the era, *Pike & Shotte* lets you recreate sweeping, dramatic clashes that shaped nations and empires.

BLACK POWDER

Black Powder transports you to the great battles of the 18th and early 19th centuries — an era of massed ranks, thundering cannon, and decisive cavalry charges. Command grand armies in sweeping tabletop conflicts from the American War of Independence to the Napoleonic Wars. With elegant rules and vast scope for tactical mastery, *Black Powder* captures the spectacle, drama, and strategy of warfare in the age of muskets and empires.

BLOOD RED SKIES

Blood Red Skies thrusts you into the thrilling aerial dogfights of the Second World War, where speed, nerve, and tactical brilliance decide the outcome. Command legendary fighter squadrons from across the globe in fast-paced, cinematic battles that capture the drama of the skies. With elegant, easy-to-learn rules and beautifully detailed aircraft, every game is a pulse-pounding contest for air superiority. Take to the skies and rewrite history.

VICTORY AT SEA

Victory at Sea plunges you into the naval battles of WWII, where the world's great fleets clashed across every ocean as technology transformed warfare. Command forces from the Royal Navy, US Navy, Imperial Japanese Navy, *Kriegsmarine*, and more in everything from tense destroyer hunts to epic battleship duels. The Battle for the Pacific Starter Set provides everything you need to recreate the struggle for control of the Pacific's islands, resources, and seas.

BLACK SEAS

Take control of your very own fleet of the greatest sailing warships of all time in this action packed, exciting naval wargame! Recreate the thrilling battles of the age of sail in all their glory with a unique and innovative initiative game system based around the most important factor of sail powered combat: the wind. From majestic fleet engagements of ships of the line to daring clashes of frigates and nimble brigs, rake your enemies with withering broadsides or launch heroic boarding actions.

VANGUARD: NORMANDY

Relive the dramatic battles of Normandy, 1944 in this thrilling board game for 1–2 players, inspired by the award-winning *Bolt Action* wargame. Command your forces using over 30 pre-assembled gaming pieces, including infantry, vehicles, and artillery, across 15 unique, full-colour reversible map tiles. Experience missions based on real historical battles, or embark on a solo campaign, guiding US forces through the hedgerows of Normandy. With thematic cards, dice, tokens, and fast-paced tactical gameplay, every mission tells a cinematic story. Plus, the game is fully expandable to four players, making it perfect for both solo commanders and tabletop rivals alike.

The finest miniatures in history.
